

Orbograph Announces New Vice President of Client Services

Stewart Levine
Vice President Client
Services

Billerica, MA , August 19, 2008 - Orbograph Ltd., a leading developer of automated recognition solutions for the U.S. check processing and business process outsourcing markets, announced today that Stewart Levine has joined the company as Vice President of Client Services.

Levine brings to Orbograph over 20 years of client services experience across multiple industries. Most recently, he founded E-Tech Solutions, an outsourcing IT Support firm. Previously, he held management positions at Sanmina-SCI Corp.'s Wilmington, MA facility (formerly Altron Incorporated) where he led the engineering, systems and business process groups in their printed circuit board division.

"With his many years of real world experience, Stew has a unique combination of talents and skills which are particularly suited for Orbograph", commented Barry Cohen, Co-General Manager of Orbograph Ltd. "He offers a wealth of knowledge in managing technical groups, an acute appreciation for the demands of production environments and strong technical expertise. He also has a great understanding of the importance of relationship building with customers, vendors and co-workers."

Cohen continued, "In addition, he shares our values and goals of ensuring a high degree of client satisfaction and the growth of our service business. I am confident that he will be a key member of our team as we continue to expand our services offerings to our near 1000 end-user clients and business partners."

Levine will be based at Orbograph's North American headquarters in Billerica, MA. He can be reached via phone at: (978) 901-5170 or e-mail at: Stewart.Levine@Orbograph.com.
