

## Bill.com Joins the Elite Ranks of NACHA Certified ACH Payment Third-Party Senders

**HERNDON, VA** – Bill.com, the leader in digital business payments, has achieved NACHA certification as an ACH Third-Party Sender. As a NACHA Certified third-party, Bill.com joins the ranks of companies that are making ACH payments easy to use for their customers.

[NACHA Certified](#) is a voluntary program established by NACHA, the steward of the ACH Network. For Third-Party Senders such as Bill.com, being NACHA Certified demonstrates to customers, industry peers and others that their company is meeting NACHA standards for high-quality ACH payment processing including corporate governance and risk and compliance obligations.

“

Bill.com is showing strong leadership in its field by becoming NACHA Certified,” said NACHA Chief Operating Officer and General Counsel Jane Larimer. “NACHA certification is a clear indication of Bill.com’s adherence to sound ACH practices and policies.”

Three million members use [Bill.com](#) to automate and simplify payments. Bill.com moves more than \$60 billion annually on behalf of its members.

“As Bill.com continues to grow and innovate with the advanced products our customers need to make the complex payment process simple, it’s important that our clients and partners know that we are committed to the highest quality ACH processing as demonstrated by achieving NACHA Certification,” said René Lacerte, founder and CEO of Bill.com.

### **About NACHA**

NACHA is a nonprofit organization that convenes hundreds of diverse organizations to enhance and enable electronic payments and financial data exchange within the U.S. and across geographies. Through development of rules, standards, governance, education, advocacy, and in support of innovation, NACHA's efforts benefit the providers and users of those systems. NACHA leads groups focused on API standardization, authors the Quest Operating Rules for EBT, and is the steward of the ACH Network, a payment system that universally connects all U.S. bank accounts and facilitates the movement of money and information. In 2017, there was a total of nearly 26 billion ACH transactions. Of these, 21.5 billion ACH payments valued at \$47 trillion moved across the ACH Network, and more than 4 billion were on-us transactions within financial institutions.
